CHECKLIST

Reheating Takeaway Kebab: Quick Checklist

- [ ] Remove salad, sauce and yogurt toppings before reheating
- [ ] Choose oven for large portions, pan for speed, air fryer for crispness
- [ ] Wrap meat in foil or brush with oil if it looks dry
- [ ] Check meat is hot all the way through before serving
- [ ] Add fresh salad and cold sauce after reheating
- [ ] Reheat only once—portion what you will eat
