CHECKLIST

Leftover kebab storage checklist

- [ ] Pull the kebab apart and separate meat, bread and sauce
- [ ] Scrape yogurt-based sauce off the meat and store it in a sealed pot
- [ ] Place meat in a shallow airtight container
- [ ] Wrap bread loosely in kitchen paper or a tea towel
- [ ] Refrigerate all components within an hour
- [ ] Label containers with the date you stored them
- [ ] Smell and inspect meat before reheating
- [ ] Reheat meat until steam rises and it is too hot to touch
